

The ILMC Bursary Scheme

The ILMC Bursary Scheme is intended to provide young professionals and start-up companies – who would otherwise be unable to attend – the opportunity to participate in ILMC for the first time.

Patrons of the scheme are Robertson Taylor W&P Longreach.

The closing date to apply is **Friday 29 January 2016**, with successful applicants receiving notification in the first week of February. A Bursary Scheme place is a full ILMC delegate pass and details of all successful applicants will remain confidential.

To apply for a bursary place, you must:

1. Be employed by, or own, a company that has not previously been represented at ILMC.
2. Have not previously attended an ILMC yourself.
3. Have gone through the ILMC nomination process (see details below).

New Delegate Nomination Process

To ensure that new ILMC members are legitimate industry professionals, all applications must be accompanied by nominations from two existing ILMC members.

If you are unsure who can nominate you, [click here](#) to see who attended ILMC 27 in 2015.

Once you have two referees, please ask them to email confirmation that they are willing to nominate you to registration@ilmc.com.

Conditions

There are two conditions attached to each Bursary Scheme place. Successful applicants will be required to:

1. Attend a short coffee meeting with our scheme patrons, Robertson Taylor W&P Longreach, to meet other members of the scheme. This will provisionally take place at 10:30 on Friday 4 March 2016.
2. Fill in a short questionnaire after ILMC about the scheme, and the conference in general.

Please sign below to confirm that you would be willing to complete both of these:

Once completed, please hit the submit button above or alternatively, save the form and email it to registration@ilmc.com and we'll be in touch. Thank you!

Please note that if you are unsuccessful in applying for a Bursary Scheme place, but have gone through the nominations process to become an ILMC member, you will still be eligible to register as a new delegate.
